SEIZE THE XR SPOTLIGHT

Unlock unparalleled opportunities as Stereopsia proudly concludes the XR calendar of the year.

THIS ISN'T JUST AN EVENT
IT'S YOUR EXCLUSIVE GATEWAY
TO THE FOREFRONT OF XR INNOVATION!

Picture this: the grand finale of the XR year, strategically positioned near the pulse of European institutions. Join a gathering of visionaries – researchers, artists, financiers, policymakers, industry leaders, students, and teachers. Stereopsia is where collaborations are born, ideas ignite, and your brand ascends to new heights.

Become more than a sponsor; become a pivotal force shaping the XR landscape. Elevate your brand, inspire change, and be part of the narrative that defines the future. **Ready to pioneer the future?**

ATTENDANCE

DIVERSITY IS OUR STRENGTH!

Stereopsia attracts a very diverse audience, bringing together researchers, artists, financiers, policy-makers, company leaders, industrial professionals, students, and educators.

This **unique cross-pollination** fosters discussions and collaborations at the intersection of immersive technologies.

The event's avant-garde spirit, coupled with its upscale setting in Brussels, sets it apart as a European hub for XR enthusiasts.

With its proximity to European institutions, Stereopsia stands out among other XR events, making it an ideal platform for wrapping up the year, foreseeing the future, and advancing XR adoption in Europe.

“
Join us in embracing the extraordinary.
At Stereopsia, everyone has a seat at
the table, and together, we script the
future of immersive experiences.
