

CALL FOR PROJECTS – THE BOOSTER 2024

THE BOOSTER

THE BOOSTER is an intensive content accelerator program aimed at empowering XR content creators. It focuses on refining pitch and presentation skills, gaining the latest insights and trends in XR content, and honing strategies for developing and financing XR projects.

THE BOOSTER includes online masterclasses and participation in Stereopsia EUROPE in Brussels, featuring B2B meetings and project pitch presentations to potential partners, co-producers, distributors, and film funds.

Participants also have the opportunity to create new business networks, compete for the Booster Award, and attend the Awards Ceremony of Stereopsia.

FOR WHOM

THE BOOSTER is made for international XR creators with an immersive project in development stage, with a significant international potential and ready to search for creative and financing partners. For each project, two team members can participate.

EXPERTS

THE BOOSTER is coordinated by French producer and consultant Sylvain Grain, with the participation of renowned invited experts from the XR industry who share their experience and vision during online masterclasses.

The invited experts for THE BOOSTER 2024 will be announced soon.
